22	Gres mallowy - 29,55x59,59,4cm	koło brąz

The image displays a set of architectural drawings for a bathroom and kitchen layout, including floor plans and cross-sections.

Top Left: WIDOK C-C
A cross-section drawing showing the vertical profile of the kitchen area. It includes a sink (6), a countertop (12), and a wall-mounted cabinet (9). Dimensions are indicated: 85 for the sink height and 155 for the countertop depth.

Top Right: WIDOK D-D
A cross-section drawing showing the vertical profile of the bathroom area. It includes a toilet (2), a sink (3), and a wall-mounted cabinet (17). Dimensions are indicated: 48 for the toilet height and 85 for the sink height.

Middle Left: WIDOK A-A Skala 1:25
A floor plan drawing of the kitchen area at a scale of 1:25. It shows the layout of the kitchen, including the sink (6), countertop (12), and wall-mounted cabinet (9). Dimensions are indicated: 85 for the sink height, 120 for the countertop depth, and 90 for the wall-mounted cabinet height.

Middle Right: WIDOK B-B Skala 1:25
A floor plan drawing of the bathroom area at a scale of 1:25. It shows the layout of the bathroom, including the toilet (2), sink (3), and wall-mounted cabinet (17). Dimensions are indicated: 85 for the toilet height, 120 for the sink depth, and 90 for the wall-mounted cabinet height.

Bottom Left: RZUT POMIESZCZENIA nr 0/10
A floor plan drawing of the bathroom area at a scale of 1:25. It shows the layout of the bathroom, including the toilet (2), sink (3), and wall-mounted cabinet (17). Dimensions are indicated: 85 for the toilet height, 120 for the sink depth, and 90 for the wall-mounted cabinet height.

Bottom Right: RZUT POMIESZCZENIA nr 0/10
A floor plan drawing of the kitchen area at a scale of 1:25. It shows the layout of the kitchen, including the sink (6), countertop (12), and wall-mounted cabinet (9). Dimensions are indicated: 85 for the sink height, 120 for the countertop depth, and 90 for the wall-mounted cabinet height.
