The roof plan shows a rectangular layout with overall dimensions of 1188 units by 1090 units. The plan is divided into several sections by a central vertical line and horizontal lines. Slopes are indicated by arrows and percentages: 60% (31°) for the main roof sections and 12% (7°) for the side sections. Elevation points are marked with values such as +5.66, +5.96, +4.94, +7.73, and +4.00. Structural details include a central vertical ridge, side ridges, and various roof sections labeled with 'R' and 'RS'. A north arrow is located in the bottom right corner, pointing towards the top of the page. The plan also includes a scale bar and a title block in the top right corner.
